To the JSU Southwest Region Fund,

Thank you so much for selecting me to be the recipient of this scholarship. It was a hard decision to come to Mississippi from Texas not knowing if I would be able to leave debt free, but donors like these are reasons why my dreams are able to come true. Coming from a single parent home it is always a blessing to be able to take stress off of my mom from receiving financial help elsewhere. In high school, I tried to stay active in many organizations and kept my grades up so that opportunities such as these could arise later on. I know that I have everything in arms each needed to become a civil engineer, graduate within four years (2022), and carry out my dreams of one day having my own engineering company. This opportunity inspires me to help others, too, whenever I can. Once again, thank you.

Respectfully,

Anjulie Morehead
